The DSC schedule begins on the date you first invest in a fund. Any DSC you pay goes to Empire Life.

* NOTE: Effective May 29, 2023, the Deferred Sales Charge (DSC) and Low Load (LL) Purchase Fee Options are no longer available for new deposits. Switches between funds purchased with the same Purchase Fee Option will continue to be allowed.

2. Ongoing Fund Expenses

The MER includes the management fee and operating expenses of the fund. The MER also includes the insurance cost for the Maturity and Death Benefit Guarantees. You do not pay the MER directly. It affects you because it reduces the return you get on your investment. Refer to the Information Folder and Contract Provisions for details about the MER.

3. Trailer Commissions

Empire Life pays a trailer commission of up to 0.80% of the value of your investments each year for as long as you hold units of the fund. The trailer commission is for the services and advice your advisor provides to you.

4. Other Fees

Fee	What you pay
100% Maturity Guarantee Benefit Option	0.38% of the accumulated value of the funds (excluding the Empire Life Money Market GIF). This fee is paid annually out of your contract to Empire Life.
Excessive Trading Fee	Up to 2.00% of the value of units you sell, or transfer within 90 days of buying them. This fee is paid to the funds.
