2. Ongoing Fund Expenses

The management expense ratio (MER) includes the management fee and operating expenses of the fund. The MER also includes the insurance fee, a charge to cover the maturity and death benefit guarantees on the Empire Life Guaranteed Investment Funds 75/75, 75/100 and 100/100 contracts. You do not pay the MER directly. It affects you because it reduces the return you get on your investment. Refer to the Information Folder for details about the MER and the insurance fee.

3. Trailer Commissions

Empire Life pays a trailer commission of up to 1.25% of the value of your investments each year for as long as you hold units of the fund. The trailer commission is for the services and advice your advisor provides to you. There are no trailer commissions payable under the F-Class/Fee for Service Purchase Fee Option.

4. Other Fees

Excessive short-term trading is the frequent purchase, switch or withdrawal of fund class units. Empire Life will deduct up to 2% of the value of units you sell or transfer within 90 days of buying them. This fee is paid to the funds.
